

EMMANUEL AKA

Full-Stack Product Engineer | UI/UX Designer

Lagos, Nigeria (GMT+1 /WAT) | Available for Global Remote Work | akaofemmanuel@gmail.com

| +234 81 255 0923 0 | GitHub: [://github.com/EmmanueAka](https://github.com/EmmanueAka) | Portfolio: <https://emmanuel-aka-portfolio-sand.vercel.app>

PROFESSIONAL SUMMARY

Autonomous, cross-functional Full-Stack Product Engineer with 15+ years of combined experience in systems engineering, design architectures, and modern web application development. Specialized in building secure, high-performance web applications using Next.js, Node.js, and Supabase within distributed, global remote environments. Proven track record of handling the complete product lifecycle—from Figma prototyping to backend scaling and cloud deployment. Adept at leveraging advanced AI productivity workflows (GitHub Copilot, GPT-4) to compress development timelines and maintain high test coverage.

TECHNICAL SKILLS

- **Languages & Frontend:** JavaScript, Python, HTML/CSS, React, Next.js, Tailwind CSS, React Native
- **Backend & Database:** Node.js, PostgreSQL, Supabase, Firebase, MongoDB, Appwrite, LiveKit, Slack, Trello, Asana, Notion, Agile/Scrum, Methodologies
- **Design & Analytics:** Figma, Photoshop, CorelDRAW, Pandas, NumPy, MS Excel
- **Tools & AI:** Git, Postman, WebStorm, GitHub Copilot, Microsoft Copilot

CORE TECHNICAL EXPERIENCE

Freelance Full-Stack Developer & UI/UX Designer

Lagos, Nigeria (Remote) | 2022 – Present

Stars & Sterling — Case Management Platform (2026)

- Designed and developed a secure legal platform using Next.js and Supabase.
- Implemented end-to-end encrypted file transfers to protect sensitive legal network evidence data.
- Built an internal workflow engine for seamless case archiving, counsel reassignment, and fast search filtering.

DiGi Mova — Logistics & Truck Booking Platform (2025 – 2026)

- Engineered core backend architecture and designed responsive frontend layouts using Tailwind CSS and Figma.
- Delivered an intuitive UX that streamlined cargo bookings and successfully generated active business revenue.

HandyMan — On-Demand Services Platform (2026)

- Designed a digital ecosystem connecting local artisans, real estate agents, and commercial marketplaces.

- Crafted user journeys and interactive UI prototypes to bridge the gap between gig workers and property managers.

XpressExams — EdTech Platform (2025)

- End-to-end design, implementation, and deployment of a real-time educational testing platform.
- Integrated real-time messaging and AI tutoring workflows using LiveKit to optimize platform stability.

Lead Developer & Creative Director | Signs DigitAll World & DigitAll Books

Benin, Nigeria | 2017 – 2021

- Transformed traditional publishing operations into digital cloud-based workflows, reducing media production cycles.
- Managed end-to-end layouts, corporate digital signage assets, and technical infrastructure for cross-platform deployments.
- Architected responsive web solutions using content management workflows and trained junior technical team members.

EARLIER PROFESSIONAL HISTORY (IT & INFRASTRUCTURE)

Supervisor Systems Engineer & Network Admin | Jacksonville Company (2014 – 2017)

Managed enterprise server upgrades, corporate firewalls, and network infrastructure scalability.

Systems Engineer & Maintenance Technician | Macrosolutions (2010 – 2013)

Deployed local area networks (LAN) and built high-performance desktop publishing workstations.

IT Operations Specialist & Network Assistant | The Girl from Ipanema Cafe (2008 – 2009)

Automated point-of-sale (POS) systems and secured public wireless data networks.

EDUCATION & CERTIFICATIONS

B.Sc. in Computer Science – University of Benin, 2021

Data Analysis Certificate – WorldQuant University, 2024

Network & Python Programming Essentials – Cisco Networking Academy, 2024–2025

Full-Stack Development Certification – freeCodeCamp, 2024

Diploma in Computer Engineering – DIT, 2008

CREATIVE HIGHLIGHTS & INTERESTS

Digital Publishing: Directed layout design, visual branding, and online distribution for 3+ major creative/academic texts.

UI/UX Design: Avid creator of vector graphics, interactive design systems, and digital typography frameworks.
